INFORMATION PRIVACY STATEMENT

The Department for Education and Child Development (DECD) is committed to respecting the confidentiality of information provided by children / students and parents, for example, information requested on child / student enrolment forms.

This form has been designed to ensure compliance with the *South Australia Education Regulations 2012* and to enable DECD to:

- Undertake administration and care responsibilities including maintaining emergency contact information;
- Communicate with you about important matters;
- Provide first aid and plan for child / student health support requirements;
- Provide all information required for resource entitlements;
- Collect necessary statistical information and undertake analysis of the composition and performance of the child / student population;
- Meet reporting requirements, including to other government authorities and funding agencies; and

If organisations are contracted on behalf of DECD to undertake tasks which require access to enrolment data, the contract(s) between DECD and those organisations will include strict confidentiality and disposal provisions.

The Australian Education Regulation 2013 requires schools across Australia ask the questions marked * on their school enrolment forms. Although some items on the enrolment form are not mandatory to complete under the national regulations, provision of this information will be beneficial to your child's school for planning and resourcing decisions.

The information provided in Enrolment Forms is stored securely in local school and DECD databases. Information from your enrolment form may be transferred electronically from one site to another as your child moves locations between levels of education. Any such transferred information will be updated by information provided on the current enrolment form. While your child is enrolled in a DECD site other information will be gathered relating to your child's education and wellbeing; for example records of learning progress, absences from school, behaviour, health and social development reports, observations and assessments. The management of these data is governed by Australian, State and DECD policies to ensure that the information is used only for the purposes stated above and is secure, private and confidential.

The disclosure of personal information held by Government is regulated by the Information Privacy Principles (see http://dpc.sa.gov.au/sites/default/files/pubimages/Circulars/PC012_Privacy_0.pdf). Unless required to do so by a law of the State or Commonwealth, or as permitted by the Information Privacy Principles or in accordance with the ISG (see below), the Department will not otherwise disclose the information to others without your consent.

INFORMATION SHARING STATEMENT

There will be occasions where sharing information with others outside DECD will be important to your child's educational progress, safety or wellbeing. In these circumstances DECD follows the SA Government's *Information Sharing: Guidelines for Promoting Safety and Wellbeing (ISG)* <http://www.ombudsman.sa.gov.au>. Under the ISG your consent for the sharing of personal information about your child will be sought and respected in all situations unless:

- It is unsafe / impossible to gain consent or consent has been refused; and
- Without information being shared, a child or children will be at increased risk of serious harm.

The aim of information sharing under the ISG is to protect and promote the safety and wellbeing of children, young people and their families. This site works with parents / caregivers and other agencies / services to achieve that aim. Parents / caregivers are strongly encouraged to share all information relevant to their child's capacity to enjoy and benefit from education:

- By using the 'any other information' section of this form; and/or
- In discussion with staff at the time of enrolment; and/or
